24 )  
25 )

16 Before the Court is Plaintiff's third motion for reconsideration  
17 of the Court's order dismissing the action with prejudice.<sup>1</sup> [Doc. No.  
18 332.] The Court rejected the first motion on the merits and struck  
19 the second motion on the ground that it was a repeat of the first.  
20 Plaintiff's third motion is brought on essentially identical grounds  
21 and is denied for the same reasons as the first. Plaintiff has not  
22 established that the Court made a mistake within the meaning of  
23 Federal Rule of Civil Procedure 60(b) when it dismissed her action  
24 with prejudice. See *Clark v. County of Tulare*, 755 F. Supp. 2d at  
25

26  
27 <sup>1</sup> Plaintiff captioned her motion, "Motion for a Modified  
28 Judgment So that Justice Can Be Served." Because she refers to  
Federal Rule of Civil Procedure 60(b) in the motion, the Court has  
liberally construed it as a motion for reconsideration. See *Estelle*  
*v. Gamble*, 429 U.S. 97, 106 (1976) (pleadings by pro se litigants are  
to be liberally construed).

1 1099 (disagreeing with the district court's initial order is not  
2 grounds for a motion for reconsideration, which should not be "used to  
3 ask the court to rethink what it has already thought"). Further, the  
4 Court has already denied Plaintiff's request to stay the execution of  
5 the judgment to allow her to complete discovery in other cases. That  
6 request is denied, again. The Court will not entertain any further  
7 requests for reconsideration.

8 IT IS SO ORDERED.
